DETAILED ACTION

Non-Responsive Amendment

The timely submission under 37 CFR 1.129(a) filed on January 24, 2005 is not fully responsive to the prior Office action, because in the remarks, claims 20-21 and 34 are indicated as being amended. In claim amendments, 20 is labeled "original" and 21 and 34 are labeled "previously presented". The Applicant should make corrections and resubmit the amendment. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
